

YOUR INGREDIENTS SPECIALIST

FOR MORE THAN 35 YEARS, McCormick Canada has been a trusted partner of food manufacturers in Canada.

We are proud to provide a robust offering of superior and innovative ingredient and flavour solutions as well as to work with our customers to create unique, custom blends & products that set them apart in the industry.

The McCormick Product Lines and Brands You Know and Trust

Flavours

- Emulsions, natural, artificial – standard & custom.
- Complete taste modification portfolio and true-to-nature flavours.
- Powder, spray dry and liquids.

Culinary Flavour Bases

- Custom culinary savoury flavour systems made with real meat and vegetables.
- Flexible flavour formats including: bases, pastes, sauces, marinades, and glazes.

Seasonings

- Custom blends formulate with real food ingredients like herbs & spices and natural flavours.
- Ability to meet clean label, organic, kosher, halal and retailer-specific requirements.

Bulk Spice & Herb Ingredients

- Supply chain designed to manage quality, purity and mitigate adulteration.
- Global sourcing excellence with a unique infrastructure and vendor certification.

Coatings

- Layering taste and crunch with simple ingredients: flour, crumbs, starch, leavening, fat, natural colours, herbs, spices and flavour.
- Sodium reduction and “no added MSG” solutions.

Condiments

- Deliver iconic, branded flavours with consistency.
- Co-branding opportunities available.
- Available in pails, drums, totes and tankers in dry and wet forms.

Honey

- Liquid, Creamed, Organic.
- 100% Canadian and fully sourced from Canadian beekeepers.

Distributor Partnerships

McCormick Canada is a proud distributor of several international ingredient manufacturers. Our distributor partnerships provide our customers with access to a broad range of high-quality ingredients, competitive pricing, ordering & shipping efficiencies as well as the confidence that comes along with working with a world-class organization.

We can guarantee you're buying the highest-quality **garlic, onion and ingredients** in bulk, directly from the source. Our operation ensures our products are handled with care, from farm to factory, right to your door.

For over 140 years and driven by our core values, we strive to offer the highest quality **caramel colours** to the most recognized players in the food & beverage industries.

A global business offering a wide range of high-quality **dehydrated vegetables, fruits, spices, herbs, meats and proteins**.

Processes culinary, all-natural and functional food ingredients, specializing in **fruit, vegetables, and herbs**.

The global leader in the manufacturing of **tomato powder**.

Over 25 years of experience and continuity in production and quality of **sun drying tomatoes**.

A contractor, processor, and supplier of **mustard ingredients** for over 20 years.
