

## **GLOBAL HEADQUARTERS FACT SHEET**

Located in Hunt Valley, Maryland, McCormick & Company's new Global Headquarters demonstrates the company's commitment to employee flexibility, collaboration and innovation. The building's over 1,000 resident employees enjoy a state-of-the-art office complete with ergonomic workstations, a tech bar, an employee wellness center and a gourmet café showcasing McCormick's global brands and culinary innovations. Beyond its sustainable design and open, light-filled workspace, the headquarters brings McCormick's five Principles to life—Passion for Flavor, Power of People, Taste You Trust, Driven to Innovate and Purpose-led Performance. Floors 2-6 of the building are dedicated to one of these Principles, represented by specially commissioned art pieces and custom signage, environmentally-friendly features and seamless technology incorporated throughout the building.
