

Dear Valued Partner,

As you face challenges in a complex environment, the whole FONA team — including the executive leadership team and extended leadership team are ready to pitch in. It's crucial that you have what you need to keep moving forward, even as you and your business are confronted with unexpected hurdles.

Please see their contact information below and don't hesitate to reach out with questions or challenges. As always, we value your partnership. The work you do is incredibly important to our nation and indeed our world.

Thank you, and please let us know how we can help. We're listening.
